

BOOK STUDY

Don't miss out on your opportunity to study conference approved literature as a group!

Every aspect of a relationship takes on the nature of a dilemma when one or both partners are alcoholic.

Here, the relatives and friends of alcoholics openly and honestly talk about their marriages and dealing with problems primarily involving sex, communication, maturity, feelings, personalities, security and independence.

Together, these Al-Anon members encourage the reader to "let the understanding, love and peace of the [Al-Anon] program grow in you one day at a time."
